About us

The British Council is the UK's international organisation for cultural relations and educational opportunities. We create friendly knowledge and understanding between the people of the UK and other countries. We do this by making a positive contribution to the UK and the countries we work with – changing lives by creating opportunities, building connections and engendering trust.

We work with over 100 countries across the world in the fields of arts and culture, English language, education and civil society. Each year we reach over 20 million people face-to-face and more than 500 million people online, via broadcasts and publications. Founded in 1934, we are a UK charity governed by Royal Charter and a UK public body.

Geopolitical/SBU/Function overview:

The British Council Sudan is one of the fastest growing Teaching Centres in the British Council network. Since opening in April 2010 it has developed several distict training areas each designed to assist in the development of this rich and diverse country while enhancing the relationship between the UK and Sudan.

Public Courses – Adults

The British Council has seven classrooms at its office in Khartoum. Our on-site courses are mostly public courses. We currently offer General English and IELTS preparation courses. We cater to upwards of 700 adult learners each term. Learners typically attend courses to increase their potential on the local job market and to prepare for further study at overseas universities. We also run a number of TKT courses throughout the year. This is an area that we would like to expand further.

Public Courses – Young Learners

A young learners programme opened in 2013, offering courses for 7-17 year olds at the weekend. This has grown to nearly 400 students per term and is still growing. Our summer programme runs in May and June each year. We are exploring the possibility of expanding this programme through the use of partner premises. YL exams such as the Cambridge exams are offered by our Exams team.

Contract Courses – Public and Private Sectors

A large proportion of the training programmes delivered in Sudan are delivered off-site for companies and organisations in the public and private sectors. The scope of these courses varies significantly depending on the needs of the client and can range from teaching Military English to officers in the Sudan Armed Forces, to teaching one-onone classes to high level executives, to training groups of lawyers, bankers and administrators. The aim of these courses is very much capacity building and providing the students with the skills they need to interact in the modern world.

Professional Development

As a teacher the opportunities to build and expand your professional profile are second to none. We actively encourage our teachers to gain experience teaching the different course types we deliver. We also support our staff to attain Diploma level qualifications in ELT and ELT Management. We ensure a variety of in-house training is delivered both by teachers and management throughout the year and we work with the exams team in supporting staff to qualify as IELTS examiners.

Our Team

We have a strong team of around 40 teachers working in Khartoum. Our current teachers come from a range of nationalities and backgrounds and include local and international teachers. Teachers and coordinators work closely with the Teaching Centre Manager, Senior Teachers, Administration team and the Customer Service team to ensure the professional delivery of quality English language training programmes. Teaching takes place over seven days each week. The working week in Sudan is Sunday to Thursday. Teachers work five days, usually including Saturday or Sunday, and sometimes both.

The Teaching Centre Management Team does its best to ensure that split shifts are not part of a teacher's regular schedule. Most teaching schedules are either mornings or afternoons/evenings.

Occasionally split shifts are unavoidable, and likely to occur during periods of cover and over the course of Ramadan.

A full working week is 39 hours. A full teaching schedule is 25 contact hours per week. Hourly-paid teachers will be scheduled on a termly basis depending on the teaching centre's needs and their availability.

While individual preferences are taken into account when timetabling, teachers are expected to teach across the full range of Teaching Centre Programmes (Adults, YLs, Corporate).

For teaching that takes place off-site, transportation will be provided from the British Council's office.
